La toma de decisiones sobre el sexo puede ser difícil, pero en relación con todo lo que viene con él puede ser francamente aterrador.

THE ALPHA COURSE | explore the meaning of life | alpha.org

We've all heard stories of how the church sees itself as a family. I know that word gets used a lot these days, sometimes positively, sometimes negatively, but in this instance I have seen it very positively. Bethany people like to be together! Whether it is through a dinner, a game night, or a children's activity, when the doors are open, you'll find people here; people interested in connecting with one another and with God.

I've also seen people who are passionate about following Jesus Christ. We may not agree on everything but we do agree that following Jesus is of utmost importance.

We also see ourselves as a church that is based in the Bible. Each week we take a passage of Scripture and look at how it applies today.

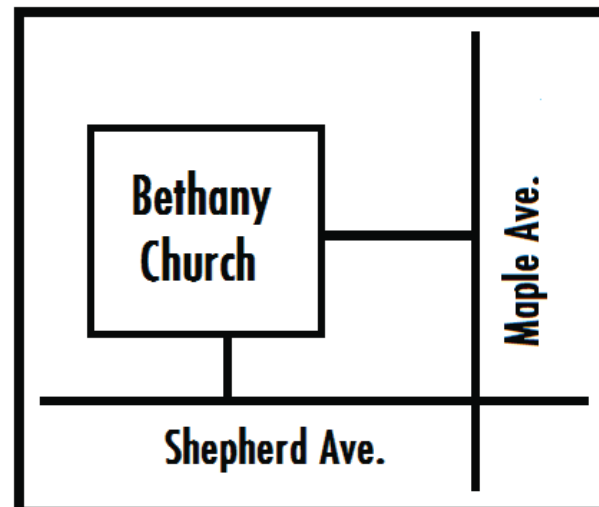

I hope you will think about joining us. We're seeking to live in the way of Jesus as a transformed community.

At Northpark Community Church, we are a community of real people, who are dealing with real life issues, just like you. The people who come to Northpark have discovered that life is much more enjoyable when shared with others. We would like for you to share life with us too. We are all on the road of learning more about God and exploring His plan for our lives.

Helping and serving others is a very important part of our lives, and here at Northpark we make it a priority to live for others, and not just for ourselves. If you are looking for a place to learn more about your faith, meet a community of people who will share life with you and have some fun along the way, please come to one of our Sunday Services, we hope to meet you in person this Sunday.
